Message

Arogyam Homeopathic Medical College & Hospital is a premier institute in the field of homeopathic education & patient care. It endeavors to impart quality teaching on the tenets of Homeopathy and their practical applicability through uniquely designed syllabi and curricula. Imbued with the spirit of devotion and sacrifice, the doctors of the campus are committed to provide quality education, clinical training and health care. Our vision is to achieve excellence in homeopathic education by providing scope and opportunities to improve knowledge, skill and academic acumen.

The serene ambience of the Arogyam Homeopathic Medical College & Hospital has been transformed into a hub of academic activities for which the institution has received plethora of accolades and nationwide recognition.

With its magnificent building, cleanliness par excellence, adequate infrastructure, in-house expertise, Teaching faculty of outstanding quality, deliberations at Journal Club meetings/ Case presentations/Seminars and above all, the interactive sessions of U.G. students with the homeopathy stalwarts of eminence in the seminars, symposia & conferences offer a unique set of opportunities to the students in their career journey. The curriculum at this college is a perfect blend of academic acumen and professional inquisitiveness.

ABOUT THE COLLEGE

Arogyam Homeopathic Medical College & Hospital is a premier, modern and progressive institute of homeopathic education. Established in the year 2021, under the aegis of "Arogyam Hospital & Research", the college premises stretch over 2.2 acres of land with a built up area of approximately 1,50,000 sq. ft. Situated in a lush green institutional area of Garhwa, Jharkhand. The college is well equipped with all kinds of modern tools of Medical Education and infrastructure making it one of the best homoeopathic colleges of India.

ICU

Arogyam group has come up with the unique concept of incorporating health for all through an integrated approach of treatment by establishing a modern medicine wing in the shape of a Multi-Speciality Hospital. The facilities & services of the Multi-Speciality hospital will be helpful in providing adequate exposure to the students in clinical field and help them to understand the depth of operative surgery and operative gynaecology & obstetrics. It will also impart a clear learning about the management of critical illnesses. The multispecialty hospital is well equipped with state - of - art medical treatment facilities like Oxygen Plant, ICU, NICU, EMERGENCY, Labour Room, Digital X-Ray, Ultrasonography, CT - Scan, ECG,

Echocardiography, Dialysis and more. The Hospital has different O.P.Ds, IPD with deluxe & super deluxe rooms, private IPD wards and modular operation theatre. Five peripheral OPDs located at a distance of 5 - 10 kms cater to the medical needs of rural patients. To spread the benefits of Homoeopathy to all sections of the community, free medical camps are organized regularly. The hospital imparts medical facilities to almost 900 patients everyday which provides good clinical exposure to U.G. students, as well as interns. To offer holistic health care to the patients, physiotherapy, yoga, naturopathy & acupressure facilities are also provided in the hospital in addition to homoeopathic treatment. All routine pathological investigations are carried
